Rental Guidelines

1. Payment is due upon delivery. We accept cash, Visa, Mastercard, and Discover.
2. Must be 18 years or older to rent and operate a golf car with a valid authorized driver's license. The authorized operator will be deemed jointly and severally responsible for the golf car.
3. It is in your best interest to keep the golf car(s) in a secure, safe area at all times until JBC can pickup the golf car(s). As a rental customer you are responsible for lost/stolen or damaged car(s).
4. To allow for scheduling of deliveries and pickups we ask that you schedule later than one-week prior to request cars or to change the amount of cars you have already ordered.
5. Cancellations of the rental must be received and confirmed by us at least one week prior to the date of your event. This will allow us time to reschedule deliveries and pickups and to potentially lease the cars to another customer.
6. Credit will not be given for cars not used due to inclement weather, bad turn out for the event, or any other reason. Our expenses for labor, trucking and fuel must be covered. We also may have turned down other requests for cars on the same day as your event.
7. Often we have to move cars from one location to another very quickly to fill another rental order. Your cooperation is needed to help our driver meet his scheduling obligations. All rental cars must be gathered in one location immediately following your event. If our driver needs to spend time "rounding up" the golf cars, we reserve the right to charge for labor over and above the rental for the cars at a rate of \$75.00 per hour.
8. You must promptly and properly report any accident, theft, or vandalism involving the golf car(s) to JBC (989)339-7215
9. All Golf Carts must remain within the State of Michigan.
10. JBC is not responsible for any personal injury while operating one of their golf carts.
